

					woodland	relief channel	fen areas and pools	l hames side/towpath	grassland/rank areas
.	Family	Species	English name						
Turbellaria	Dugesiidae	Dugesia lugubris (Schmidt)	a flat worm	common		*	*		
Turbellaria	Dugesiidae	Polycelis nigra (Muller)	a flat worm	common		*	*		
Turbellaria	Dugesiidae	Polycelis tenuis Ijima	a flat worm	common		*	*		
Annelida	Glossophiniidae	Helobdella stagnalis (L.)	a leech	common		*	*		
Annelida	Glossophiniidae	Hemiclepsis marginata (Muller)	a leech	common		*	*		
Annelida	Erpobdellidae	Haemopsis sanguisuga	horse leech	common			*	*	
Annelida	Erpobdellidae	Erpobdella octoculata (L.)	a leech	common		*	*		
Mollusca	Hydrobiidae	Potamopyrgus antipodarum (Gray)	Jenkin's Spire Shell	common	*		*		
Mollusca	Lymnaeidae	Lymnaea truncatula (Muller)	Dwarf Pond snail	common			*		
Mollusca	Lymnaeidae	Lymnaea palustris agg.	Marsh Pond snail	common	*	*			
Mollusca	Lymnaeidae	Lymnaea stagnalis (L.)	Great Pond Snail	common		*	*		
Mollusca	Lymnaeidae	Lymnaea auricularia (L.)	Eared pond snail	local		*	*		
Mollusca	Lymnaeidae	Lymnaea peregra (Muller)	Wandering snail	common	*	*	*		
Mollusca	Succineidae	Succinea putris (L.)	Large amber snail	common		*	*	*	
Mollusca	Succineidae	Oxyloma pfeifferi (Rossmassler)	Pfeiffers amber snail	common	*	*	*		
Mollusca	Cochlicopidae	Cochlicopa lubrica (Muller)	Slippery moss snail	common	*				*
Mollusca	Discidae	Discus rotundatus (Muller)	Rounded snail	common	*				*
Mollusca	Arionidae	Arion ater (L.)	large black slug	common	*			*	*
Mollusca	Arionidae	Arion subfuscus Draparnaud	Dusky slug	common				*	
Mollusca	Arionidae	Arion hortensis agg	a slug	common	*			*	
Mollusca	Zonitidae	Oxychilus cellarius (Muller)	Cellar snail	common	*			*	
Mollusca	Zonitidae	Oxychilus alliarius (Miller)	Garlic snail	common	*			*	
Mollusca	Milacidae	Tandonia budapestensis (Hazay)	Budapest slug	common	*			*	
Mollusca	Milacidae	Lehmannia marginata (Muller)	Tree slug	common				*	
Mollusca	Agriolimacidae	Deroceras laeve (Muller)	Marsh slug	common			*		
Mollusca	Agriolimacidae	Deroceras reticulatum (Muller)	Field slug	common	*			*	
Mollusca	Clausilidae	Balea biplicata (Montagu)	Thamed door snail	RDB3		**			
Mollusca	Clausilidae	Clausilia bidentata (Strom)	Common door snail	common	*				
Mollusca	Helicidae	Monacha cantiana (Montagu)	Kentish snail	common	*			*	
Mollusca	Helicidae	Trichia hispida (L.)	Hairy snail	common	*			*	
Mollusca	Helicidae	Arianta arbustorum (L.)	Copse snail	common	*			*	

Mollusca	Helicidae	Cepaea nemoralis (L.)	Grove snail	common	*		*
Mollusca	Helicidae	Cepaea hortensis (Muller)	Whie-lipped snail	common	*		*
Mollusca	Helicidae	Helix aspera Muller	Garden snail	common	*		*
Mollusca	Sphaeridae	Sphaeridium corneum (L.)	Horny orb mussel	common		*	*
Mollusca	Dreissenidae	Dreissena polymorpha (Pallas)	Zebra mussel	local			*
Branchiura	Argulidae	Argulus foliaceus	fish louse	common			*
Amphipoda	Gammaridae	Gammarus pulex (L.)	water shrimp	common		*	*
Amphipoda	Talitridae	Orchestria cavimana Heller	Land hopper	rare	*	*	*
Diplopoda	Polyxenidae	Polyxenus lagurus L.	Bristly Millipede	local	*		
Diplopoda	Julidae	Cylindroiulus punctatus (Leach)	a millipede	common	*		*
Diplopoda	Julidae	Tachypodoiulus niger (Leach)	a millipede	common	*		*
Diplopoda	Julidae	Ophiulus pilosus (Newport)	a millipede	common	*		
Diplopoda	Bianiulidae	Proteroiulus fuscus (Am Stein)	a millipede	common	*		
Diplopoda	Bianiulidae	Bianiulus guttulatus (Fab.)	a millipede	common	*		
Diplopoda	Nemasomatidae	Nemasoma varicorne Koch	a millipede	common	*		
Diplopoda	Polydesmidae	Polydesmus gallicus latzel	a flat backed millipede	common	*		
Diplopoda	Glomeridae	Glomeris marginata (Villiers)	Pill millipede	common	*		
Chilopoda	Himantriidae	Haplophilus subterraneus (Shaw)	a centipede	common	*		*
Chilopoda	Geophilidae	Geophilus carpophagus Leach	a centipede	common	*		
Chilopoda	Geophilidae	Necrophloeophagus flavus (De Geer)	a centipede	common	*		
Chilopoda	Geophilidae	Brachygeophilus truncorum (Bergsoe)	a centipede	common	*		*
Chilopoda	Cryptopsidae	Cryptops anomalans Newport	a centipede	rare	*		
Chilopoda	Lithobiidae	Lithobius variegatus Leach	a centipede	common	*		
Chilopoda	Lithobiidae	Lithobius forficatus (L.)	a centipede	common	*		*
Isopoda	Trichoniscidae	Trichonisca pusillus Brandt	a woodlouse	common	*		
Isopoda	Trichoniscidae	Trichonisca pygmaea Sars	a woodlouse	common	*		
Isopoda	Oniscidae	Oniscus asellus L.	a woodlouse	common	*		*
Isopoda	Philosciidae	Philoscia muscorum (Scopoli)	a woodlouse	common	*		*
Isopoda	Platyarthriidae	Platyarthrus hoffmannseggi Brandt	a white woodlouse	local	*		
Isopoda	Armadillidae	Armadillium vulgare (Latreille)	a pill woodlouse	common	*		
Isopoda	Porcellionidae	Porcellio scaber Latreille	a woodlouse	common	*		*
Araneae	Dysderidae	Harpactea hombergi (Scopoli)	a six eyed spider	common	*		
Araneae	Dysderidae	Dysdera crocata	woodlouse spider	common	*		*
Araneae	Theridiidae	Steatoda bipunctata (L.)	a comb-footed spider	common	*		
Araneae	Theridiidae	Steatoda grossa	a comb-footed spider	local	*		
Araneae	Theridiidae	Anelosimus vittatus (Koch)	a comb-footed spider	common	*		

Araneae	Theridiidae	<i>Theridion sisypium</i> (Clerck)	a comb-footed spider	common	*				
Araneae	Theridiidae	<i>Theridion varians</i> Hahn	a comb-footed spider	common					
Araneae	Theridiidae	<i>Theridiom tinctum</i> (Walck.)	a comb-footed spider	common	*				
Araneae	Theridiidae	<i>Neottiura bimaculata</i> (L.)	a comb-footed spider	common	*			*	
Araneae	Theridiidae	<i>Paidiscura pallens</i> (Blackwall)	a comb-footed spider	common	*			*	
Araneae	Theridiidae	<i>Enoplognatha ovata</i> (Clerck)	a comb-footed spider	common	*			*	
Araneae	Theridiidae	<i>Robertus lividus</i> (Blackwall)	a comb-footed spider	common	*				
Araneae	Linyphiidae	<i>Hypomma bituberculatum</i> (Wider)	a money spider	common	*		*		
Araneae	Linyphiidae	<i>Hypomma cornutum</i> (Blackwall)	a money spider	common			*		
Araneae	Linyphiidae	<i>Oedothorax gibbosus</i> (Blackwall)	a money spider	common					*
Araneae	Linyphiidae	<i>Erigone dentipalpis</i> (Wider)	a money spider	common					*
Araneae	Linyphiidae	<i>Erigone atra</i> Blackwall	a money spider	common	*				*
Araneae	Linyphiidae	<i>Bathyphantes gracilis</i> (Blackwall)	a money spider	common	*		*		
Araneae	Linyphiidae	<i>Lepthyphantes tenuis</i> (Black.)	a money spider	common	*				
Araneae	Linyphiidae	<i>Linyphia triangularis</i> (Clerck)	a money spider	common	*				
Araneae	Tetragnathidae	<i>Tetragnatha extensa</i> (L.)	a long-jawed orb spider	common	*		*		*
Araneae	Tetragnathidae	<i>Tetragnatha montana</i> Simon	a long-jawed orb spider	common	*				
Araneae	Tetragnathidae	<i>Pachygnatha clercki</i> Sundevall	a long-jawed orb spider	common	*		*		
Araneae	Tetragnathidae	<i>Pachygnatha degeeri</i> Sundevall	a long-jawed orb spider	common	*				
Araneae	Tetragnathidae	<i>Metallina segmentata</i> (Clerck)	a long-jawed orb spider	common	*			*	*
Araneae	Tetragnathidae	<i>Metallina mengei</i> (Blackwall)	a long-jawed orb spider	common	*				
Araneae	Tetragnathidae	<i>Metallina merianae</i> (Scopoli)	a long-jawed orb spider	common	*				
Araneae	Araneidae	<i>Araneus diadematus</i> Clerck	common garden spider	Common	*			*	*
Araneae	Araneidae	<i>Larinoides cornutus</i> (Clerck)	an orb weaver	Common	*		*	*	
Araneae	Araneidae	<i>Larinoides sclopetarius</i> (Clerck)	Bridge spider	local	*	*		*	
Araneae	Araneidae	<i>Nuctenea umbratica</i> (Clerck)	an orb weaver	common	*			*	
Araneae	Araneidae	<i>Araniella curcurbitina</i> (Clerck)	an orb weaver	common	*				
Araneae	Araneidae	<i>Araniella opisthographa</i> (Kulczynski)	an orb weaver	common	*			*	
Araneae	Araneidae	<i>Zilla diodia</i> (Walck.)	an orb weaver	Notable B	**				
Araneae	Lycosidae	<i>Trochosa terricola</i> Thorell	a wolf spider	common	*				*
Araneae	Lycosidae	<i>Pirata piraticus</i> (Clerck)	a wolf spider	common			*	*	
Araneae	Lycosidae	<i>Pirata hygrophilus</i> Thorell	a wolf spider	common					
Araneae	Pisauridae	<i>Pisaura mirabilis</i> (Clerck)	Nursery tent spider	common	*		*	*	*
Araneae	Agelenidae	<i>Agelena labyrinthica</i> (Clerck)	Labyrinth spider	common			*		*
Araneae	Agelenidae	<i>Tegenaria gigantea</i> Chamberlin	a House spider	common	*				
Araneae	Dictynidae	<i>Dictyna uncinata</i> Thorell	a mesh-webbed spider	common	*			*	

Araneae	Dictynidae	<i>Nigma walkenaeri</i>	a mesh-webbed spider	Notable A	**		**
Araneae	Dictynidae	<i>Lathys humilis</i> (Blackwall)	a mesh-webbed spider	common	*	*	
Araneae	Amaurobiidae	<i>Amaurobius fenestralis</i> (Stroem)	a lace-webbed spider	common	*	*	
Araneae	Amaurobiidae	<i>Amaurobius similis</i> (Blackwall)	a lace-webbed spider	common			
Araneae	Anypheidae	<i>Anypheia accentuata</i> (Walck)	Buzzing spider	common	*	*	
Araneae	Clubionidae	<i>Clubiona corticalis</i> (Walck.)	a foliage spider	local	*		
Araneae	Clubionidae	<i>Clubiona reclusa</i> O.P.-Cambridge	a foliage spider	common	*		*
Araneae	Clubionidae	<i>Clubiona phragmitis</i> Koch	a foliage spider	common		*	
Araneae	Clubionidae	<i>Clubiona stagnalis</i>	a foliage spider	common		*	
Araneae	Clubionidae	<i>Clubiona brevipes</i>	a foliage spider	common	*		
Araneae	Gnaphosidae	<i>Micaria pulicaria</i> (Sundevall)	a ground spider	common			
Araneae	Philodromidae	<i>Philodromus dispar</i> Walck.	a running crab spider	common	*		
Araneae	Philodromidae	<i>Philodromus aureolus</i> (Clerck)	a running crab spider	common	*		
Araneae	Philodromidae	<i>Philodromus cespitum</i> (Walck)	a running crab spider	common	*		
Araneae	Philodromidae	<i>Philodromus albidus</i> Kulczynski	a running crab spider	Notable B	**		
Araneae	Thomisidae	<i>Misumena vatia</i>	a crab spider	common			*
Araneae	Thomisidae	<i>Xysticus cristatus</i> (Clerck)	a crab spider	common	*		*
Araneae	Thomisidae	<i>Ozyptila praticola</i>	a crab spider	local		*	
Araneae	Salticidae	<i>Marpissa muscosa</i> (Clerck)	a jumping spider	Notable B	**		**
Opiliones	Nemastomatidae	<i>Nemastoma bimaculatum</i> (Fab.)	a harvestman	common	*		*
Opiliones	Phalangiidae	<i>Mitopus morio</i> (Fab)	a harvestman	common	*		*
Opiliones	Phalangiidae	<i>Phalangium opilio</i> (L.)	a harvestman	common	*		
Opiliones	Phalangiidae	<i>Rilaena triangularis</i> (Herbst)	a harvestman	common		*	
Opiliones	Phalangiidae	<i>Leiobunum rotundum</i> (Latreille)	a harvestman	common	*		
Pseudoscorpia	Cheiridiidae	<i>Chernes cimicoides</i> Menge	a pseudoscorpion	local			
Collembola	Tomoceridae	<i>Tomocera longicornis</i>	a springtail	local	*	*	
Ephemeroptera	Ephemeridae	<i>Ephemera vulgata</i> L	a mayfly	local	*		
Ephemeroptera	Baetidae	<i>Chloen dipterum</i> (L.)	a mayfly	common	*	*	
Odonata	Coenagriidae	<i>Pyrrhosoma nymphula</i> (Sulzer)	Large red damsel	common	*	*	
Odonata	Coenagriidae	<i>Ischnura elegans</i> (Vander Linden)	Blue-tailed damsel	common	*	*	
Odonata	Coenagriidae	<i>Enallagma cyathigerum</i> (Charpentier)	Common-blue damsel	common	*	*	
Odonata	Lestidae	<i>Lestes sponsa</i> (Hansemann)	Emerald damselfly	common		*	
Odonata	Coenagriidae	<i>Coenagrion puella</i> (L.)	Azure damselfly	common	*	*	
Odonata	Calopterygidae	<i>Calopteryx splendens</i> (Harris)	Banded demoiselle	local	*	*	*
Odonata	Aeshnidae	<i>Aeshna cyanea</i> (Muller)	Southern Hawker	common	*	*	*
Odonata	Aeshnidae	<i>Aeshna grandis</i> (L.)	Brown Hawker	common	*	*	

Odonata	Aeshnidae	Aeshna mixta Latreille	Migrant Hawker	local	*	*	*
Odonata	Aeshnidae	Anax imperator Leach	Emperor dragonfly	common	*	*	*
Odonata	Libellulidae	Sympetrum striolatum (Charpentier)	common darter	common	*	*	
Orthoptera	Tettigoniidae	Meconema thalassinum (De Geer)	Oak Bush-cricket	common	*	*	
Orthoptera	Tettigoniidae	Metrioptera roeselii (Hagenbach)	Roesel's Bush-cricket	Notable B			**
Orthoptera	Tettigoniidae	Conocephalus discolor (Thunberg)	Long-winged Conehead	Notable B			**
Orthoptera	Tettigoniidae	Leptophyes punctatissima (Bosc)	Speckled Bush-cricket	common	*	*	
Orthoptera	Tetrigidae	Tetrix undulata (Sowerby)	Common Ground-hopper	common			*
Orthoptera	Acridiidae	Omocestus viridulus (L.)	Common Green Grasshopper	common			*
Orthoptera	Acridiidae	Chorthippus brunneus (Thunberg)	Field Grasshopper	common			*
Orthoptera	Acridiidae	Chorthippus parallelus (Zetterstedt)	Meadow Grasshopper	common			*
Dermaptera	Forficulidae	Forficula auricularia L.	common earwig	common	*	*	*
Heteroptera	Corixidae	Corixa punctata (Illiger)	a lesser boatman	common		*	*
Heteroptera	Corixidae	Hesperocorixa sahlbergi (Fieber)	a lesser boatman	common		*	*
Heteroptera	Corixidae	Sigara dorsalis (Leach)	a lesser boatman	common		*	*
Heteroptera	Corixidae	Sigara distincta (Fieber)	a lesser boatman	common		*	*
Heteroptera	Corixidae	Sigara falleni (Fieber)	a lesser boatman	common		*	
Heteroptera	Notonectidae	Notonecta glauca L.	a water boatman	common		*	
Heteroptera	Notonectidae	Notonecta maculata Fab.	a water boatman	common			*
Heteroptera	Notonectidae	Notonecta viridis Delcourt	a water boatman	common		*	*
Heteroptera	Pleidae	Plea minutissima Leach	least water boatman	common		*	*
Heteroptera	Hydrometridae	Hydrometra stagnorum (L.)	Water measurer	common	*	*	*
Heteroptera	Veliidae	Velia caprai Tamanini	Water cricket	common	*	*	*
Heteroptera	Veliidae	Microvelia reticulata (Burmeister)	minute water cricket	common	*	*	*
Heteroptera	Gerridae	Gerris argentatus Schummel	Little pond skater	local			*
Heteroptera	Gerridae	Gerris lacustris (L.)	Common pond skater	common		*	*
Heteroptera	Saldulidae	Saldula saltatoria (L.)	a shorebug	common	*		*
Heteroptera	Saldulidae	Chartoscirta cincta (H-S)	a shorebug	common			*
Heteroptera	Tingidae	Physatocheila dumetorum (H-S)	a lacebug	common	*		
Heteroptera	Tingidae	Dictyla humuli (Fab.)	Speedwell lace bug	local			*
Heteroptera	Miridae	Deraeocoris flavilinea	a plantbug	local			*
Heteroptera	Miridae	Deraeocoris lutescens (Schilling)	a plantbug	common	*		
Heteroptera	Miridae	Deraeocoris ruber (L.)	a plantbug	common	*		*
Heteroptera	Miridae	Harpocera thoracica (Fallen)	a plantbug	common	*		
Heteroptera	Miridae	Psallus ambiguus (Fallen)	a plantbug	common	*		
Heteroptera	Miridae	Psallus lepidus Fieber	Ash plant-bug	common	*		

Heteroptera	Miridae	<i>Psallus perrisi</i>	a plantbug	common	*			
Heteroptera	Miridae	<i>Psallus varians</i> (H-S)	a plantbug	common				
Heteroptera	Miridae	<i>Psallus salicellus</i> (H-S)	a plantbug	local	*			
Heteroptera	Miridae	<i>Plagiognathus albipennis</i> (Fallen)	a plantbug	common				*
Heteroptera	Miridae	<i>Plagiognathus arbustorum</i> (Fab.)	a plantbug	common				*
Heteroptera	Miridae	<i>Plagiognathus chrysanthemi</i> (Wolff)	a plantbug	common	*			
Heteroptera	Miridae	<i>Sthenarus roseri</i> (H-S)	a plantbug	common			*	
Heteroptera	Miridae	<i>Dicyphus epilobii</i> Reuter	a plantbug	common		*		*
Heteroptera	Miridae	<i>Dicyphus stachydis</i> Reuter	a plantbug	common	*			
Heteroptera	Miridae	<i>Campyloneura virgula</i> (H-S)	a plantbug	common	*		*	
Heteroptera	Miridae	<i>Malacocoris chlorizans</i> (Panzer)	a plantbug	common	*			
Heteroptera	Miridae	<i>Cyllecoris histrionicus</i> (L.)	a plantbug	common	*		*	
Heteroptera	Miridae	<i>Dryophilocoris flavoquadrinaculatus</i> (DeG)		common	*		*	
Heteroptera	Miridae	<i>Heterotoma planicornis</i> (Pallas)	a plantbug	common	*		*	
Heteroptera	Miridae	<i>Blepharidopterus angulatus</i> (Fallen)	Black kneed capsid	common	*			
Heteroptera	Miridae	<i>Orthotylus viridinervis</i> (Kirschbaum)	a plantbug	local				
Heteroptera	Miridae	<i>Orthotylus marginalis</i> Reuter	dark green apple capsid	common	*		*	
Heteroptera	Miridae	<i>Lygus rugilipennis</i> Poppius	Tarnished plant bug	common			*	
Heteroptera	Miridae	<i>Liocoris tripustulatus</i> (Fab.)	a plantbug	common			*	*
Heteroptera	Miridae	<i>Orthops cervinus</i> (H-S)	a plantbug	common	*			
Heteroptera	Miridae	<i>Orthops campestris</i> (L.)	a plantbug	common				*
Heteroptera	Miridae	<i>Lygocoris contaminatus</i> (Fallen)	a plantbug	common			*	*
Heteroptera	Miridae	<i>Calocoris stysi</i>	a plantbug	common				*
Heteroptera	Miridae	<i>Calocoris striatellus</i>	Potato capsid	common	*		*	
Heteroptera	Miridae	<i>Megacoelum infusum</i> (H-S)	an oak plant bug	common	*			
Heteroptera	Miridae	<i>Stenotus binotatus</i> (Fab.)	a plantbug	common	*			
Heteroptera	Miridae	<i>Phytocoris tiliae</i> (Fab.)	a plantbug	common	*			
Heteroptera	Miridae	<i>Phytocoris varipes</i> Boheman	a plantbug	common			*	*
Heteroptera	Miridae	<i>Capsus ater</i> (L.)	a plantbug	common				
Heteroptera	Miridae	<i>Teratocoris antennatus</i>	a plantbug	local		*		
Heteroptera	Miridae	<i>Stenodema calcaratum</i> (Fallen)	a plantbug	common	*	*		*
Heteroptera	Miridae	<i>Notostira elongata</i> (Geoffroy)	a grass bug	common				*
Heteroptera	Miridae	<i>Leptoterna dolobrata</i> (L.)	Meadow plantbug	common	*	*		*
Heteroptera	Nabidae	<i>Himacerus apterus</i> (Fab.)	Tree damselbug	common	*			
Heteroptera	Nabidae	<i>Aptus mirmicoides</i> (Costa)	Ant damselbug	common	*			
Heteroptera	Nabidae	<i>Nabis rugosus</i> (L.)	Common damsel bug	common	*	*		*

Heteroptera	Nabidae	Dolichonabis limbatus (Dahlbom)	Marsh Damsel bug	common		*		
Heteroptera	Anthocoridae	Anthocoris confusus Reuter	an anthocorid bug	common	*		*	
Heteroptera	Anthocoridae	Anthocoris nemoralis (Fab.)	an anthocorid bug	common	*		*	
Heteroptera	Anthocoridae	Anthocoris nemorum (L.)	an anthocorid bug	common	*		*	
Heteroptera	Anthocoridae	Anthocoris simulans Reuter	an anthocorid bug	local	*			
Heteroptera	Anthocoridae	Orius majusculus (Reuter)	an anthocorid bug	common	*	*		
Heteroptera	Aradidae	Aneurus avenius (Dufour)	a flat bug	common	*			
Heteroptera	Lygaeidae	Ischnodemus sabuleti (Fallen)	European chinch bug	common		*		
Heteroptera	Lygaeidae	Heterogaster urticae (fab.)	Nettle ground bug	common	*			*
Heteroptera	Lygaeidae	Drymus sylvaticus (Fab.)	a ground bug	common	*			*
Heteroptera	Coreidae	Gonocerus acuteangulatus (Goeze)	Box bug	RDB1	*			
Heteroptera	Coreidae	Coreus marginatus (L.)	a squash bug	common	*		*	*
Heteroptera	Pentatomidae	Aelia acuminata (L.)	Bishop's Mitre	local		*		*
Heteroptera	Pentatomidae	Palomena prasina (L.)	Green shield bug	common			*	
Heteroptera	Pentatomidae	Eurydema oleracea (L.)	Brassica bug	local			*	
Heteroptera	Pentatomidae	Podops inuncta (Fab.)	European turtle bug	local			*	
Heteroptera	Acanthosomatida	Acanthosoma haemorrhoidale (L.)	Hawthorn shield bug	common	*			
Heteroptera	Acanthosomatida	Elasmucha grisea (L.)	Parent bug	common	*			
Homoptera	Cercopidae	Aphrophora alni (Fab.)	a froghopper	common	*		*	*
Homoptera	Cercopidae	Philaenus spumarius (Goeze)	Common Froghopper	common				*
Homoptera	Cercopidae	Neophilaenus lineatus (L.)	a froghopper	common			*	*
Homoptera	Cicadellidae	Evacanthus interruptus	a leafhopper	local	*			
Homoptera	Cicadellidae	Idiocerus laminatus Flor	a leafhopper	common	*			
Homoptera	Cicadellidae	Idiocerus lituratus	a leafhopper	common	*			
Homoptera	Cicadellidae	Idiocerus nitidissimus	a leafhopper	common	*		*	
Homoptera	Cicadellidae	Idiocerus vitreus	a leafhopper	common	*			
Homoptera	Cicadellidae	Idiocerus ustulatus	a leafhopper	common	*			
Homoptera	Cicadellidae	lassus lanio (L.)	a leafhopper	common	*			
Homoptera	Cicadellidae	lassus scutellaris	a leafhopper	Notable	*			
Homoptera	Cicadellidae	Aphrodes makarovi Zakvatkin = bicinc	a leafhopper	common				*
Homoptera	Cicadellidae	Arthaldeus pascuellus (Fallen)	a leafhopper	common				*
Homoptera	Cicadellidae	Alebra albostriella (Fallen)	a leafhopper	common	*			
Homoptera	Cicadellidae	Kybos butleri (Edwards)	a leafhopper	common	*			
Homoptera	Cicadellidae	Empoasca vitis	a leafhopper	common	*			
Homoptera	Cicadellidae	Eupteryx aurata (L.)	a leafhopper	common	*		*	
Homoptera	Cicadellidae	Eupteryx urticae (Fab.)	a leafhopper	common				

Homoptera	Cicadellidae	Eupteryx vittata (L.)	ground ivy hopper	common	*		*
Homoptera	Cicadellidae	Ribautinia ulmi (L.)	a leafhopper	local	*		
Homoptera	Cicadellidae	Edwardsiana ishidai (Matsumura)	a leafhopper	Notable B			**
Homoptera	Cicadellidae	Edwardsiana lethierryi (Edwards)	a leafhopper	common	*		
Homoptera	Cicadellidae	Edwardsiana plebeja (Edwards, 1914)	a leafhopper	common	*		*
Homoptera	Cicadellidae	Zyginidia scutellaris (H-S)	a leafhopper	common			
Homoptera	Cicadellidae	Zyginia flammigera (Fourcroy))	a leafhopper	common	*		
Homoptera	Cixiidae	Cixius nervosus (L.)	a hopper	common	*		
Homoptera	Issidae	Issus coleoptratus (Fab.)	a froghopper	common			
Homoptera	Liviidae	Livia juncorum (Latreille)	a jumping plant louse	common			
Homoptera	Liviidae	Aphalara exilis (Weber)	a jumping plant louse	common		*	
Homoptera	Aphalariidae	Aphalara polygoni Forster	a jumping plant louse	common			
Homoptera	Psyllidae	Psyllopsis fraxini (L.)	a jumping plant louse	common	*	*	
Homoptera	Psyllidae	Psyllopsis fraxinicola (Forster)	a jumping plant louse	common	*	*	
Homoptera	Psyllidae	Psylla alni (L.)	a jumping plant louse	common	*	*	
Homoptera	Psyllidae	Psylla ambigua Forster	a jumping plant louse	common	*		
Homoptera	Psyllidae	Psylla melananeura Forster	a jumping plant louse	common	*	*	
Homoptera	Psyllidae	Psylla peregrina Forster	a jumping plant louse	common	*		
Homoptera	Psyllidae	Trioza albiventris Forster	a jumping plant louse	common		*	
Homoptera	Psyllidae	Trioza remota Forster	a jumping plant louse	common	*		
Homoptera	Psyllidae	Trioza urticae (L.)	a jumping plant louse	common		*	
Neuroptera	Coniopterygidae	Conwentzia psociformis (Curtis)	a waxfly	common			
Neuroptera	Chrysopidae	Chrysoperla carnea (Stephens)	a green lacewing	common	*	*	
Neuroptera	Chrysopidae	Chrysopa perla (L.)	a green lacewing	common	*	*	
Neuroptera	Sisyridae	Sisyra fuscata (Fab.)	a sponge fly	common	*	*	
Neuroptera	Hemerobiidae	Hemerobius humulinus L.	a lacewing	common	*		
Neuroptera	Hemerobiidae	Micromus variegatus (Fab.)	a lacewing	common	*	*	
Neuroptera	Sialidae	Sialis lutaria (L.)	an alder fly	common	*	*	
Lepidoptera	Eriocranidae	Eriocrania subpurpurella (Haworth)	a micro-moth	common	*		*
Lepidoptera	Nepticulidae	Ectoedemia albifasciella (Heinemann,	a micro-moth	common	*		*
Lepidoptera	Nepticulidae	Ectoedemia pulverosella (Stainton)	a micro-moth	common	*		
Lepidoptera	Nepticulidae	Stigmella aceris	a micro-moth	common	*		*
Lepidoptera	Nepticulidae	Stigmella alnetella (Stainton)	a micro-moth	local	*		*
Lepidoptera	Nepticulidae	Stigmella aurella (Fab.)	a micro-moth	common	*		
Lepidoptera	Nepticulidae	Stigmella crataegella (Klimsch)	a micro-moth	common	*		
Lepidoptera	Nepticulidae	Stigmella hybnerella (Hubner)	a micro-moth	common			*

Lepidoptera	Nepticulidae	Stigmella microtheriella (Stainton)	a micro-moth	common			*
