The Thames Landscape Strategy is a not-for-profit organisation whose aim is to conserve, enhance and promote the river corridor between Weybridge, Hampton and Kew. Over the past ten years we have carried out over 305,000 volunteer hours of work and raised £21M to conserve the river corridor. This work is only possible because of the unique way that the Strategy is funded.

Our funding partners provide a proportion of the costs needed to support the day-to-day running of the small but dynamic office but IN 2017 we have to raise an additional £65K of un-restricted funds simply to keep us going. Private donations and business contributions are needed to make up the shortfall. This funding is also used to unlock larger pots of money from external grant-giving trusts, making even small contributions go a long way, enabling the Thames Landscape Strategy to achieve its conservation goals. You can donate to the Thames Landscape Strategy through the charity: The Father Thames Trust (100% of your donation will go to the TLS). Don't forget, if you are a UK tax payer to fill out the Gift Aid declaration adding even more value to your donation.
